ABOUT FCRIT, VASHI

Fr. C. Rodrigues Institute of Technology, Vashi, is an exemplar of educational refinement as envisioned by our founder. We are known for our commitment towards building future citizens who are imbued in a strong sense of professionalism and ethical values. We take it upon ourselves to help the fresh entrants of engineering to develop into not only a well-rounded but also well-grounded citizens by providing them with a holistic environment. A student who enters the environs of this institute leaves this place a transformed individual, having learnt the ropes of cultivating academics and relationships. The institute instills discipline, right attitude, academic proficiency in its students and promotes an aura of self-sustainable development.

- Fr. C. Rodrigues Institute Of Technology is a private, un-aided, autonomous institute in Vashi, Navi Mumbai and admissions are based on MAH-EN-CET and JEE.
- It was established in 1994 and is affiliated to University of Mumbai and also to AICTE.
- It has been graded "A" by Directorate of Technical Education (DTE), Govt. of Maharashtra.

DISTINGUISHED ALUMNI

- Mr. Rudra Prasad Ghosal, Director of Engineering, Hyper Engineering Pty Ltd, Australia
- Dr. Sheldon Williamson, Professor and NSERC Canada Research Chair
- Dr. Shivkumar Iyer, Software Developer at Xcontrol GmbH
- Mr. Eustace Furtado, Senior Director, Advanced Operations- Value Engineering at Stryker Country Cork, Ireland
- Dr. Yogesh Velankar, Advisor - MHRD's Flagship Leadership for Academicians Program (LEAP)
- Mr. Bipin G. Taksande, Co-Founder at Belhob Technosolutions Pvt. Ltd.

- Dr. Srinivasan Krishnaswamy, Assistant Professor, Indian Institute of Technology, Guwahati
- Mr. Ajay Pawar, Assistant Director, Ministry of Corporate Affairs
- Mr. Linto Kolanchery, Senior Director, Capgemini Sogeti BU.

Vision

To provide quality placement to all eligible students.

Mission

To provide appropriate training to achieve highest possible percentage of placement

To establish a training model to develop practical and soft skills of students

UNDERGRADUATE COURSES

Computer Engineering

UG - 120

Mechanical Engineering

UG - 120

Electronics and Telecommunication Engineering

UG - 60

Electrical Engineering

UG - 60

Computer Science and Engineering

UG - 120

***Course offered from 2025-26**

POSTGRADUATE COURSES

Fr. CRIT, also offers Post graduate Programs mainly masters and PhD Programs through following departments:

Mechanical Engineering

M.E. (Mechanical): Machine Design & PhD

Electronics and Telecommunication Engineering

PhD

Electrical Engineering

M.E. (Electrical) : Power Electronics and Drives & PhD
