

Agnel Charities

Fr. C. Rodrigues Institute of Technology, Vashi
(An Autonomous Institute & Permanently Affiliated to University of Mumbai)

END SEMESTER EXAMINATION TIME TABLE

B. Tech (Semester - III, V, VII) Second Half of 2026

SEMESTER - III						
Dates	Time	Computer	Mechanical	EXTC	Electrical	CSE
Wed, 18 Nov 2026	10:30 AM - 12:30 PM	Engineering Mathematics - III	Engineering Mathematics-III	Engineering Mathematics-III	Engineering Mathematics-III	Engineering Mathematics-III
Fri, 20 Nov 2026	10:30 AM - 12:30 PM	Discrete Structures and Graph Theory	Mechanics of Solids	Network Theory	Circuit and Signal Analysis	Discrete Structures
Mon, 23 Nov 2026	10:30 AM - 12:30 PM	Data Structures	Material Science and Engineering	Electronic Devices and Circuits	Elements of Power System	Data Structures
Thu, 26 Nov 2026	10:30 AM - 12:30 PM	Database Management System	Thermodynamics	Digital Circuit Design	Renewable Sources and Energy Storage	Database Management System
Sat, 28 Nov 2026	10:30 AM - 12:30 PM	Digital Logic and Computer Organization Architecture	Industrial Electronics	Data Structures and Algorithms	Electronic Components and Circuits	Digital Logic and Computer Organization Architecture
SEMESTER - V						
Dates	Time	Computer	Mechanical	EXTC	Electrical	IT
Thu, 19 Nov 2026	2:30 PM - 4:30 PM	Theoretical Computer Science	Mechanical Vibrations	Signals and Systems	Electrical Machines	Automata Theory
Sat, 21 Nov 2026	2:30 PM - 4:30 PM	Software Engineering	Fluid Mechanics and Machinery	Digital Communication	Protection and Switchgear	Artificial Intelligence
Wed, 25 Nov 2026	2:30 PM - 4:30 PM	Microcontrollers	Electrical Drives & Control	Cloud Computing	Microcontrollers	Internet of Things
Fri, 27 Nov 2026	2:30 PM - 4:30 PM	Program Elective-I : Data Mining & Business Intelligence	Program Elective-I : Finite Element Analysis Computer Aided Engineering	Program Elective-I : Computer Communication Network Digital VLSI	Program Elective-I : Advanced Power Electronics Electric Vehicle Technology	Program Elective-I : Data ware Housing & Mining
Mon, 30 Nov 2026	2:30 PM - 4:30 PM	Honors / Minors: Knowledge Engineering / Cybercrime & Cyber Security / Sensors & IoT Protocols / Artificial Intelligence and Machine Learning / Fundamentals of Logistics Management / Solar Energy System				
SEMESTER - VII						
Dates	Time	Computer	Mechanical	EXTC	Electrical	IT
Thu, 19 Nov 2026	10:30 AM - 12:30 PM	Artificial Intelligence	Advanced Manufacturing Technology	Mobile Systems and Wireless Networks	Electrical Systems Design and Auditing	Edge Computing
Sat, 21 Nov 2026	10:30 AM - 12:30 PM	Program Elective-III: Natural Language Processing UI/UX	Program Elective-III: Mechanical System Design	Program Elective-III: Advanced Digital Signal Processing Computer Architecture in VLSI	Program Elective-III: Power System Operation and Control	Program Elective-III: Ethical Hacking & Digital Forensic
Wed, 25 Nov 2026	10:30 AM - 12:30 PM	Program Elective-IV: Applied Data Science Blockchain	Program Elective-IV: Condition Monitoring Welding Technology Automotive Systems Engineering	Program Elective-IV: Network Security Deep Learning	Program Elective-IV: Smart Power System Power Quality and FACTS	Program Elective-IV: Big Data Analytics
Fri, 27 Nov 2026	10:30 AM - 12:30 PM	Open Elective-I: Reliability Engineering / Digital Business Management / Energy Audit and Management / Operation Research / Cyber Security and Laws				
Mon, 30 Nov 2026	10:30 AM - 12:30 PM	Honors / Minors: Deep Learning / Industrial Analytics / Project Management in Supply Chain / Dynamic paradigms of IoT / Design of Renewable Energy System / Security Audit & Risk Assessment				

Date: 23 September 2026

Dr. Sanjay Rukhande
Controller of Examinations
