SAMVAAD 2018

SAMVAAD, the annual debate competition of F.C.R.I.T. Vashi was organized on March 3, 2018. The event began with a warm and positive inauguration ceremony at 9:50 A.M. The topics for the first round were given a day before the event and all the topics were based on current affairs. The motive behind giving such topics is that the students should know the importance of things going on around the world. On the day of the event, the participants were given a random topic from the list and were given about 15 minutes for preparation. The format of the debate was very simple - a minute for introduction, five minutes rebuttal and one and a half minute for the conclusion. The time for the rebuttal increased as the level increased. There were no negative markings given to the teams if the debate exceeded the time limit, as the time should not be a constraint for the participants.

SAMVAAD has provided a platform for students to come up with their ideas and this was only possible with the help and support of the Principal Dr. S.M. Khot, Managing Director, Rev. Dr. Ivon Almeida and the most special person behind SAMVAAD, Ms. Audrey Correa, the Assistant Professor, in the Humanities Department. SAMVAAD 2018 was a huge success, as a result of the weeks of hardwork of the SAMVAAD council. A special thanks to our Student Coordinator, Mrs. Audrey Correa. Without her constant guidance and support, SAMVAAD would never have been possible. The participants really appreciated the way in which the debate competition was organised.
