RE: Recommendation letter for Mathew Jerry Thomas

This letter certifies that Mr. Mathew Jerry Thomas, born 03/12/1996 student of Fr. C. Rodrigues Institute of technology, University of Mumbai has completed his internship at Colorado State University, Fort Collins, Colorado, U.S.A. He worked for a period of one month from 20.06.2018 to 20.07.2018.

Mathew is a bright and diligent student. During his internship at Colorado State University, he worked on exploring the heterogeneity of mobile devices for the purpose of indoor localization using machine learning algorithms. I was pleased that he was able to quickly grasp new topics in a short span of time.

Mathew was able to effectively complete his assigned tasks during the internship with a positive outcome. His work on the project gives me confidence in his ability to be a team player and work effectively on larger projects.

If you have any additional questions, please feel free to contact me.
