Agnel Social Cell Events FH-2019:

1. Plastic Collection
2. Cleanliness Drive
3. Ashram Visit
4. Mind Management

PLASTIC COLLECTION DRIVE

In the light of recent events, it has become of utmost importance to shun plastic and facilitate its proper disposal. As a fresh start the Agnel Social Cell conducted a three-day plastic collection drive from 23rd to 25th of January, 2019. To make the students aware of the hazards of plastic and the challenges faced during its disposal and recycling was our insight. It encouraged students to reject plastic and switch to green alternatives. The event culminated with the Cleanliness Drive on 26th January. The collected plastic was given for recycling. Although the response was not overwhelming, there were few enthusiasts who actively participated in the event. We believe that it created a positive impact and drew attention to a far-reaching issue.

CLEANLINESS DRIVE

Taking a step towards cleanliness, the Agnel social cell conducted a drive on the glorious occasion of Republic Day. The volunteers along with the council members assembled in the degree foyer at 9.00 am on 26th January 2019. After a brief discussion, the students dispersed around the campus in two groups. It was ensured that all the students wore safety gloves while the drive was in progress. All waste was segregated as plastic, glass, other waste and collected in different sacks. Both the groups, merged together at the rear end of the campus pulling off the drive at 10:00 am. Six sack-full of garbage was collected by 22 volunteers and council members within less than an hour. The collected waste was properly disposed of. Owing to the supervision of our faculty, Mr. Anand Pardeshi, tactful guidance of Dr. Sanjukta Bhowmik, hard work of the coordinators Vivek Kushwaha, Dhanashree Gujarathi, Kunal Mahadik and immense support from the students, the event can be declared as a success. Altogether, we believe that the freshness will appeal to the students and encourage them to maintain a clean surrounding in the days to come.

ASHRAM VISIT

On 29th of February, students of FCRIT Vashi visited an Mukta Jeevan ashram in Asangaon which was initiated by the Agnel Social Cell. Mukta Jeevan is a home for the elderly citizens, orphan kids and leprosy patients. 32 students in total from all branches and years visited the ashram along with 4 staff members.

The students reached the Ashram at around 10.30 am. The children there were very pleasantly excited to receive and welcomed the students by singing a song for them. There was a huge smile on the faces of the kids and they were happy to engage with the students. Students also met the elderly people sang songs for them and interacted personally with them thereby spending quality time and bringing smile on their faces. Students also spent time with leprosy patient where one of the healing leper patients sang song and played the dhol. On this occasion, Agnel Social Cell faculty in charge Sanjukta ma'am handed over the fruits, medicines and other stationery kids which was donated by the students and staff for the need of the children there to the sisters who take care of them.

The team spent 4 hours in the ashram before saying goodbye to them. It was indeed very satisfying experience of the students as they bring a smile on children's face however for a brief period. They realized that one must contribute and understand his/her social responsibilities towards society.

MIND MANAGEMENT

On 2nd of March, 3rd day of ETAMAX the Agnel Social Cell had conducted a session on Mind Mapping in collaboration with Art of Living. The session started at 9.00 am and was conducted for about 3hrs. A total of 120 students had registered for the session. Mrs. Dipti Deshpande and Mr. Sourav Ghosh were two of the speakers from Art of Living who had taken up their valuable time and been amongst the students. Students were taught various techniques such as creating mind maps which would benefit the students while studying. Activities were also conducted. Lastly, they were also introduced to some basic yoga techniques which would be useful in their physical and mental state of mind. The event was culminated well and there was a good feedback from the students regarding the session. The Agnel Social Cell council members under the guidance of Sanjukta ma'am and Suraj sir helped in making the event a successful one.

Agnel Social Cell Events SH-2018:

1. Ergonomic Interactive Session
2. Raddi Day
3. Art of Living's FCRIT YES! +

ERGONOMIC INTERACTIVE SESSION

“Ergonomic Interactive Session” was conducted by the Agnel Social Cell on 4 August 2018. This event was organized only for the teaching and non-teaching staff of FCRIT. The event was conducted by Dr. Malti Hir anandani who is an authority on ergonomics and posture related health issues. The session involved demonstrations and actual interactions with the participants to correct poor posture which leads to serious health issues in the future. The session lasted for 2 hours and was well attended by both faculty and nonteaching staff.

RADDI DAY

On 10/09/2018 Raddi Day Event was organized by the Agnel Social Cell on the first day of FACES. The events commenced off with a zeal, where all branches had an active participation and contribution to this event. With much of planning in advance, the event was successful under the management of the event coordinators Piyush Kolte, Kunal Mahadik, Saurabh Shelke. The amount received after selling the old newspapers and junk was an all-time high. The money collected will be used for the future events that will be conducted by ASC such as Ashram Visit, Seminars, Blood Donation Camp etc. The event became a huge success due to the tremendous support and participation of the students of FCRIT. The total weight of Raddi collected was a vast 1024.767kg in total, with the Electrical branch as winners with a total raddi amounting to 534.79kg.

ART OF LIVING'S FCRIIT YES! +

The event was conducted by ASC in the peaceful morning hours during FACES from 10th to 12th of September, 2018. The event focusing on enhancing the mental health spiritual development was conducted in sessions progressing for 3 hours from 8am to 11am. Each session offered an interactive and enriching experience, helping students boost their confidence, work on their short-comings, understanding the importance of hard-work, finding the right path, inculcating good morals and developing a positive approach towards life. Introduction to various yogas and meditation opened the doors to spirituality. Indeed it was unfolding 'the art of living'. The event coordinators, Vivek Kushwaha and Dhanashree Gujarathi under the guidance of Suraj sir helped in making the event a successful one. The peace, stability and tranquility it brought to the students was all worth the time and efforts!

Agnel Social Cell

Explore Happiness

The central graphic element is a logo for 'Agnel Social Cell'. It features a stylized blue tree where the branches are formed by two hands reaching upwards. The tree is adorned with several red stars of varying sizes. Below the logo, the text 'Agnel Social Cell' is written in a bold, black, sans-serif font, and the tagline 'Explore Happiness' is written in a smaller, light blue, cursive font.

Agnel Social Cell Events FH-2018:

1. Cleanliness Drive
2. Free Health Checkup
3. Ashram Visit

Cleanliness Drive

It is often said that 'Cleanliness is next to Godliness'. Agnel Social Cell stood by this old adage by conducting a cleanliness drive inside the FCRIT campus on the 26th of January 2018 which is also our beloved country's Independence Day. The drive began after the flag hoisting ceremony in the college. It started from the college's main gate and went on till the rear entrance. The drive which started mostly with the ASC council members was soon joined by many of the college's students and some of the faculty as well. Agnel Social Cell can now proudly say that it has lent a small hand in our PM's initiative, the 'Swachh Bharat Abhiyan'. All in all the event can be regarded as a success and can be believed to have set an example for the young minds of the college.

Health Check-up

In our day-to-day hectic life we often end up neglecting our health. This holds true not only for the old but as well as for the young adults and children amongst us. Agnel Social Cell came-up with an idea to spread awareness about this common habit of ours by conducting a totally free health check-up inside the FCRIT campus. This was conducted in continuation to AEHI's eye rally, for which around 500 people from all across Mumbai had participated, including few FCRIT's students. The Check-up was done by Way2Health Diagnostics and it included nutrition consultation, blood pressure, pulse rate monitoring, eye check-up, BMI among others. The event got a huge response not only from the students but also from the faculty, staff and also their children they brought with them. A total of around 240 people got themselves checked in afore mentioned health areas. The information about their health that the participants got can surely be considered to be helpful for them in changing their lifestyles and to lead a healthier life.

Ashram Visit

ASC as always ended this year's activities with a beautiful gesture-by helping those in need. The ASC conducted a visit to the Mukta-Jivan Ashram on 4th of March 2018. It is a Non-Government Organization working for the relief and rehabilitation of the Hansen disease as well as for the care and support of HIV/AIDS Children and women. They also provide shelter for senior citizens who are poor and abandoned. The visit was joined by the students of all branches and semesters of FCRIT, which was a total of 70 people. ASC stood by their motto to 'Explore Happiness' by providing these accompanying people with a chance to meet and greet the less fortunate around us. The joy on the faces of the aged and the sound of laughter from the children when the college's students interacted with them were all sights worth seeing and experiencing. Few of the students said it was a life changing experience while few others vowed to visit these children and grandfathers and grandmothers whenever they can. In this way the **Agnel Social Cell** has wound up their events for 2017-2018, by leaving a mark on some lives and by setting some examples on how to find happiness in life.

Agnel Social Cell Events SH-2017:

1. Raddi Day
2. Recognizing the unrecognized
3. Street Play on Organ Donation

Raddi Day

The events kicked off with great energy, the first event being the Raddi Day, which was conducted on the first day of FACES. After much planning and thoughtful execution by the event coordinators Jeswin Emmanuel, Lokesh Nagar and Ayush Shetty the Raddi Day event became a great success. The amount received after selling the old newspapers and junk was an all time high. The money collected will be used for the events that will be conducted by ASC in the future like Ashram visit, seminars, etc. The event became a success due to the tremendous support of the students of FCRIT. The total weight of raddi collected was a whopping 300kg, with the Mechanical branch winning the event by donating 101kg of raddi.

Recognizing the Unrecognized

The second event which was conducted in the morning of the second day of FACES was a felicitation ceremony, wherein those people who keep the college campus clean and those who make sure that the students and faculty inside the campus are safe, were shown a token of gratitude by the ASC council members. The event was aptly named as 'Recognizing the Unrecognized' by the council. The peons, cleaners, security at the gates and the hostel workers were all called upon the centre stage setup in the foyer, thanked for their duties towards the college and were handed over a box of snacks. Once again the event became a success due to the arrangements done by the event coordinators Shubham Pandita, Mohammed Talha and Shraddha Pawar. The smiles on the faces of these unsung heroes after they were thanked for their hard-work in keeping the college clean and safe was indeed a sight to watch.

Organ Donation - A Street Play

The last and final event of the ASC ended on a high note when the drama for spreading awareness about 'Organ Donation' won the Street Play competition by securing first prize. The event coordinators were Jabez James, who scripted the play and Nimmy Augustine, who played a part in the drama. The play was directed by Chandrashekhhar Patil and comprised of actors from the second and third year of FCRIT. The event was indeed a master stroke of ASC, thanks to the hard-work, dedication and teamwork of the director and the talented actors of the play.

SAMVAAD 2018

SAMVAAD, the annual debate competition of F.C.R.I.T, Vashi was organized on March 3, 2018. The event began with a warm and positive inauguration ceremony at 9:50 A.M. The topics for the first round were given a day before the event and all the topics were based on current affairs. The motive behind giving such topics is that the students should know the importance of things going on around the world. On the day of the event, the participants were given a random topic from the list and were given about 15 minutes for preparation. The format of the debate was very simple - a minute for introduction, five minutes rebuttal and one and a half minute for the conclusion. The time for the rebuttal increased as the level increased. There were no negative markings given to the teams if the debate exceeded the time limit, as the time should not be a constraint for the participants.

SAMVAAD has provided a platform for students to come up with their ideas and this was only possible with the help and support of the Principal Dr. S.M. Khot, Managing Director, Rev. Dr. Ivon Almeida and the most special person behind SAMVAAD, Ms. Audrey Correa, the Assistant Professor, in the Humanities Department. SAMVAAD 2018 was a huge success, as a result of the weeks of hardwork of the SAMVAAD council. A special thanks to our Student Coordinator, Mrs. Audrey Correa. Without her constant guidance and support, SAMVAAD would never have been possible. The participants really appreciated the way in which the debate competition was organised.

REUSE 
REDUCE
RECYCLE

E-WASTE DRIVE (Do for Society ..Not for stars)

SEED (Sustainable, Environmental and Ethical Development) committee of the Electronics and Telecommunication Engineering department has taken an initiative to circumvent this problem by organizing an **E-Waste collection drive during FACES on all 3days from 9am to 3:30 pm**

The department which collects maximum e-waste in kgs would get **5 stars** and the first runner up would get **3stars**.

Deposit your e-waste here!!

**AX202, EXTC COMP LAB,
SECOND FLOOR, NEW
BUILDING**

Well.....u guys can donate the following discarded stuffs-

- Batteries
- Chargers
- Discarded computers
- Office electronic equipment
- Entertainment device electronics
- Mobile phones
- Television sets, and refrigerators etc.

LETTER OF APPRECIATION

Date: 16.10.2018

**To,
Mrs Pranali Choudhari
SEED Council, EXTC Department
Fr. C. Rodrigues Institute of Technology,
Vashi, Navi Mumbai**

We appreciate your students and staff for being sensitive to the ecological crisis arising due to irresponsible disposal of E-waste (hazardous waste).

We congratulate you for successful participation in E-waste collection drive held on 26th September 2018.

224 kg of E-waste collected from your institution has been sent for scientific recycling.

Our heartfelt compliments for nurturing healthy environment related lifestyles among your staff and students and thereby strengthen our mission of Swaccha Bharat Abhiyan.

Warm regards

**Dr. Harsha Mehta
President
ECO-ROX**

Fr. C. Rodrigues Institute of Technology, Vashi
Department of Electronics and Telecommunication Engineering
Sustainable, Ethical and Environmental Development (SEED) Council

An Appeal to all !

Disposal of Electronics Waste (E-Waste) is becoming an issue of Global Concern today. "Electronic waste" or E-Waste may be defined as any discarded electronic device or equipment such as

Batteries, chargers,
discarded computers,
office electronic equipment,
entertainment device electronics,
mobile phones,
television sets, and refrigerators etc.

Presently, most of us either sell it to the scrap vendors, dispose it with the garbage or unnecessarily retain it. The scrap vendors burn the electronics items to extract precious metals from them, but in this process generate various toxic gases, thereby seriously polluting the environment.

SEED committee of the Electronics and Telecommunication Engineering department has taken an initiative to circumvent this problem by organizing an E-Waste collection Drive. Though the drive would be all year round, the first phase of this collection drive would be from 16th of March to 29th of March 2018.

You can handover the discarded Electronics items in EXTC Computer lab (AX 202, Second Floor, New Building) either to Mrs. Pranali Choudhari or Mr. Santosh Molawade, anytime between 1.00 pm to 5.00 pm. The collected E-waste would be sent to an authorized E-waste recycling Centre.

We request you to actively participate in this drive to promote a clean and healthy environment.

Mrs. Pranali Choudhari,
Convenor,

INTRODUCTION

The employability of India's university graduates continues to remain weak even while there is an acute shortage of skilled manpower in an increasing number of high demand sectors. Though they have educational degrees, they lack the skills and the experience to get employed.

Skilling youth to enhance their employability and enabling them to be effective contributors to the nation's growth and development assumes paramount importance in the current context.

The Tata Institute of Social Sciences has been working to reach the youth through an innovative programme called '**National University Students' Skill Development (NUSSD)**' for the same purpose. The aim is to enable the youth enrolled in the various degree programs in Colleges and Universities in India to acquire skills that would give them a certificate/diploma in a specific high demand domain area in addition to their degree.

ABOUT NUSSD PROGRAMME

The National University Students' Skill Development (NUSSD) Programme is a unique initiative on skill development designed and undertaken by the Tata Institute of Social Sciences (TISS). The programme was initiated in 2013 in collaboration with **Ministry of Youth Affairs and Sports, Government of India (GoI)** and **National Skill Development Agency (NSDA)**, GoI to enable graduating youth acquire employable skills while pursuing their graduation or post-graduation so that they are job-ready as and when they pass out from the colleges. After completion of a successful pilot in 34 colleges of 11 Universities, spread across 9 States, the programme is being implemented across 120 colleges, including Engineering and Management colleges. Currently, the programme covers a student population of more than 20,000, spread across several states in the country.

NUSSD offers **Certificate Programme in 'Management and Soft Skills'** for students who are pursuing their Engineering and Management and a skill-linked domain courses leading to a Diploma (e.g. Diploma in Entrepreneurship) in parallel to their regular coursework. The classes are held in the participating College or University and the programme is designed on a schedule that minimizes disruption of work and personal pursuits of participating students.

NUSSD PROGRAMME AIMS AT:

1. Enhancing employability skills of students to have a suitable career option after graduation.
2. Develop skills, competencies and knowledge to intervene in an equal and sustainable manner in the social and economic development of people.
3. Foster socially conscious students grounded in respect for people and concerned about the welfare of others.

❖ CERTIFICATE IN MANAGEMENT & SOFT SKILLS:

All students enrolled for NUSSD will gain competency in following areas - (Compulsory Foundation Courses for professional competencies):

SN	Name of the Course	Theory Hrs	Practical	Total Hrs
1	English Communication	60	-	60
2	Youth Leadership and People Skills	45	-	45
3	Analytical Skills	30	30	60
4	Legal Literacy	30	-	30
5	Financial Literacy or Introduction to Entrepreneurship or Digital Literacy	45	30	75
6	Employability Skills	30	-	30
	Total	240	60	300

OBJECTIVE OF THE PROGRAMME:

It is expected that the successful implementation of NUSSD programme will enhance employability of the participants to a considerable level and enable them to gain certification which is recognized by Industry for skills and competencies, and will help in enhancing employability of the graduates both locally and nationally.

A good number of skilled graduates emerging as transformational leaders after the successful completion of the course. Eventually, the availability of skilled human resources will be in several million college graduates.

FCRIT & NUSSD, TISS decided to collaborate in order to enable the students to enhance their skills and become employable.

Currently there are two batches that are being offered the NUSSD Programme at FCRIT. **Batch I** comprise of second-and third-year students and **Batch II** comprises of second year students from Information Technology, Mechanical, Electronics & Telecommunications, and Computer Science departments.

SESSION CONTENT

❖ YOUTH LEADERSHIP & PEOPLE SKILLS (YLPS)

The course Youth Leadership and People Skills (YLPS) is divided in 3 sections and each section looks at specific inputs to develop inner capacity & confidence, skills & knowledge and competencies & understanding.

The students went through a journey of self – discovery, awareness of one’s power and valuing diversity. They began with aspects of the self, sourcing inner power, practicing deep listening, assertiveness & managing stress. Further they progressed to Interaction Competencies & Skills including verbal & nonverbal communication skills, influencing skills, managing conflict & managing

time. Intervention Skills and Competencies like speaking responsibly, team building, decision making, resilience & stages of leadership helped in developing capacity to manifest one's full potential.

The YLPS course has benefitted students to be aware of self and sensitive towards others present around. They displayed actions through which it was evident how they respect others views and worked together as a team. It has thoroughly been a transformational journey for the students.

❖ **FINANCIAL LITERACY**

Financial Literacy is the combination of financial knowledge, skills and attitude and behavior necessary to make effective financial decision based on individual circumstances in order to have financial well-being.

With the expansion of banking services and incorporation of technology, the financial transactions have increased in the recent time. It has become necessary for students to understand basic money management skills like living within a budget, credits debt in the current consumer society to operate various transactions on online shopping, e-commerce sites, internet banking and in day-to-day consumption activities.

Students gained insights on various concepts like basics of Banking, Mutual Funds, Capital Markets, and Insurance. They thoroughly enjoyed doing the project work.

❖ **INTRODUCTION TO ENTREPRENEURSHIP**

This is an introductory module designed for all the students. This course provides an opportunity for the students to appreciate and understand the core of entrepreneurship. The topics covered include: understanding of the self, goal setting, working in team, and key process in entrepreneurship. The core process in entrepreneurship and an individual's journey to entrepreneurship/decision to become an entrepreneur is introduced by creating an environment of experiential learning through games, role plays and field works. This course gave clear understanding on what is really required and what approach one must have while considering to start his/her own venture.

❖ **ENGLISH COMMUNICATION**

English for Communication is a multi-level course in English for young adults. The course covers the four skills of listening, speaking, reading, and writing. The primary goal of the course is to develop in the learners an ability to communicate effectively and to be able to use language for real-life functions.

❖ **LEGAL LITERACY**

Legal literacy is a short course that is useful in developing a basic understanding of the Indian legal system and laws, as would apply to an ordinary person. It is extremely important in empowering the students with basic rights and enlisting their involvement in ensuring rule of law and good governance. Topics covered include amongst others Nature of the Indian Legal system, Basics of criminal law, juvenile law, consumer and contract laws, labour laws and RTI.

❖ ANALYTICAL SKILLS

Data analysis and interpretation of data to take meaningful decisions is an essential skill irrespective of stream, domain of work or skill level. It is a cross-functional skill that may be applied across manufacturing, services, infrastructure or any other type of industry, whether for employment or for entrepreneurial ventures. The Analytical Skills module covered topics such as Data analysis, Data interpretation, Probability, Permutations and Combinations and so on. This session was highly appreciated by the students.

❖ EMPLOYABILITY SKILLS

These skills are necessary for getting, keeping and being successful in a job. Some of the topics that will be covered here are – Communication, Teamwork, Problem solving, Initiative and enterprise, Planning and organizing, Self-management, Learning, Technology, CV writing, Group discussions, how to face interview, public speaking, presentation skills etc.

Students gained and enjoyed the activity-based sessions. Various topics like Decision Making, Negotiation Skills, Creative Thinking, Resume Writing, Interviews etc. were covered.

ASSESSMENT For Batch - I

The final assessment for Batch - I was scheduled on July 7, 2019 (Sunday)

PROGRESS SO FAR - BATCH II:

S.NO	SESSION NAME	TRAINER NAME	COMPLETION STATUS
1	Youth Leadership & People Skills	Ms. Khushboo Mehta	Complete
2	Introduction to Entrepreneurship	Prof Satyajit Majumdar	In progress

WORKSHOPS AND SEMINARS

- ❖ **September 28, 2018:** NUSSD and FCRIIT organized a special expert session on 'Entrepreneurship – Whys & Hows' for the NUSSD students of FCRIIT on 28 September, 2018. The session was conducted by Prof. Satyajit Majumdar, School of Management and Labour Studies at TISS and his colleague, Mr. Raviraj Durwas, Program Manager, School of Management and Labour Studies at TISS was also the co – facilitator of the session. The session was attended by undergraduate students from the second and third year of IT, Mechanical, Elect, Comp. Science from FCRIIT.

❖ **February 09, 2019:** A series of workshops were conducted by eminent speakers at Fr. C.R.I.T College. Students from NUSSD batch I & II attended the session.

- ❖ Session I: English Communication by Prof. Vineeta Dwivedi from S P Jain Institute of Management & Research
- ❖ Session II: Legal Literacy by Dr. D.K Sonawane, Faculty of LLM from University of Mumbai. He was a former Judge.
- ❖ Session III: Performance evaluation/ Appraisal in organizations by Mr. Tanmay Nayak, Director, NUSSD.
- ❖ Session IV: Technology disrupting the HR function by Mr. Bipin Shrestha, Cluster (Product) Head, TCS Chroma Product.

- 2. Raddi Day**
- 3. Karuna Ghar Stall**
- 4. Walk Against Blindness**
- 5. General Awareness and Eye Check up**
- 6. Muktajeevan Ashram Visit.**

Tree Plantation Drive

A Tree Plantation drive was organized by the Agnel Social Cell on the first day of FACES, 1st September 2016 near the college foyer. Students and faculty members were given a chance to plant trees and thereby make a small contribution to Mother Nature. This event was attended by the HODs of all five departments, as well as the Principal, Father, faculty members and students. The ASC council members were present to assist and carry out this event smoothly. The event was a huge success and the place where the plantation drive took place now looks aesthetically beautiful!

Raddi Day

'Raddi Day' was organized by the Agnel Social Cell on 2nd September 2016, the second day of FACES. Students and the college staff donated old newspapers, books, magazines, etc. at a stall set up in the workshop which was then sold. Many student volunteers also turned up to help in collecting and weighing the 'Raddi'. This event went as planned and a total amount of Rs. 2,600 was raised.

Karuna Ghar Stall

Karuna Ghar is an organization that works for the rehabilitation of street children. The Agnel Social Cell invited them to set up a food stall on the ground floor of the college on all 3 days of FACES, to raise money for charity and spread awareness about their organization. They raised a total of Rs.3000 which will be used for buying stationary items and paying for the meals of underprivileged children. The organization was very grateful to the ASC for allowing them to put up a stall as it received amazing response from the students.

Walk Against Blindness

The Agnel Social Cell (ASC) participated in a rally organized by The Advanced Eye Hospital and Institute (AEHI) and One Vision Health and Research Foundation. Nearly 7,000 people across age groups and professions pledged to donate their eyes during 'Tamaso Ma Jyotir Gamaya – The Walk Against Blindness' on Palm Beach Road in Sanpada, Navi Mumbai, on 8 January 2017.

Schools and colleges from across Navi Mumbai had participated in the event and the Agnel Social Cell was glad to support this noble cause. Around 50 students from the social cell participated in the rally and many of them even pledged their eyes. Chanting slogans and carrying posters, they walked hand in hand with others raising awareness about eye donation.

General Awareness and Eye Check up

A general awareness seminar about Eye health and Eye donation was conducted by the Agnel Social Cell in association with Advanced Eye Hospital and Institute (AEHI) at the college premises. This was conducted on 23 February 2017, during Etamax and received a good response from the students. Doctors were invited to speak on the topic which everyone found very informative and interactive. It was followed by a free eye checkup for all the participants of the seminar.

Muktajeevan Ashram Visit

Members of the Agnel Social Cell visited Muktajeevan ashram at Asangaon on 26 March 2017. Around 35 students visited the ashram and they were accompanied by Fr. Ivon and Pritha ma'am. Students got an opportunity to interact with HIV positive children, orphans, leprosy patients and also visited an old age home. The residents there felt really happy to meet everyone. It was indeed an eye opener for many and students felt a sense of joy in bringing a smile on their faces.

BLOOD DONATION CAMP

September 24, 2015

VENUE: SEMINAR HALL

TIME: 9:00AM-4:30PM

The blood donation camp was organized by Agnel Social Cell on Thursday 24th September, 2015. The Blood Donation Drive was organized in collaboration with Tata memorial hospital, Kharghar. The donated blood will aid transfusions to people affected by cancer. This was the first event organized by social cell (Batch- 2015-16). More than 60 volunteers from among students, faculty and staff members participated voluntarily in camp.

This camp helped the cancer patients to regain the blood loss during chemotherapy. Tata hospital members came together to participate with great enthusiasm and deepened the social awareness amongst us.

PREMDAN ASHRAM VISIT

Venue: Airoli

Date: November 4, 2015

The visit to premdaan ashram was organized by agnel social cell on November 4, 2015. The event was attended by 13 council members. All members assembled the ashram by 11 am. The sister incharge informed us about the rules of the ashram and also about the history of how the ashram was established. She guided us about the people in the ashram.

After handing over the snacks arranged for them, we began with the meet. The ashram had mentally challenged and old women. All the members interacted with them personally, creating a very healthy and humorous environment.

At about 1 pm we bid them good bye and left the ashram with smiles on their faces.

CLEAN-UP DRIVE

Venue: Andheri Station (West)

Date: 10th January 2016

This event was held under the “Swachh Bharat Abhiyan” via the collaboration I.M.P.A.C.T. The student council bodies and other volunteers of engineering colleges from all over Mumbai participated in this event. The students assembled outside the station at 10 am and then proceeded to the BMC office which provided them with the necessary equipment like brooms, rubbish bags, etc. The students split up into groups and cleaned up their assigned areas whilst chanting slogans and holding up related posters to spread awareness.

Distribution of clothes

Venue: Degree Foyer

Date: 4th February 2016

We kept a donation desk in degree foyer for 6 days starting from 4th February. We received a lot of donations from students of our college many students even donated their old toys.

We distributed the clothes among the needy peoples in various place.

WALKATHON

(“Walk against Blindness”)

Venue: AEHI Hospital.

Time: 8 am

Date: January 17, 2016

A walk against blindness, was conducted by A.E.H.I Hospital. Agnel social cell members, actively collected volunteers from college. The purpose of this event was to spread awareness about eye donation.

The walk for blindness began from A.E.H.I. Hospital, Sanpada at 8:00. A very enthusiastic crowd consisting of students from various colleges, localites, business professionals and also blind children attend the event. Over 120 students were present for the walk along with the members of the social cell council. Students had prepared posters saying “Aapki aankhe duniya dekhegi, Zindagi ke saath bhi , Zindagi ke baad bhi” and the apprehensive slogans made the event even more auspicious. Renowned celebrities Vivek Oberoi and Shankar Mahadevan initiated the evnt adding more meaning to it. Refreshments were provided to the walkers during the walk at stations.

Volunteers from our college helped the event by distributing refreshments. The walk ends at inorbit mall by an hour which was followed a cultural program hosted by RJ Archana. Children danced,

singers sang and even the blind children gave surprising performances by playing the instruments.

Many willing donors filled the form for eye donation in the end thus fulfilling the cause for the walk. Students that participated in the walk and volunteered with organization received certificates of participation and appreciation.

MUKTJEEVAN ASHRAM VISIT

Venue: Asangaon

Date: February 14, 2016

The visit to Mukteevan ashram was organized by Agnel social cell on February 14, 2016. The event was attended by 13 council members and 16 of our college students. All members assembled in the college at 8:45am and left the college at 9:00am by the school bus arranged. The bus reached the ashram by 10:30am. The sister in-charge informed us about the rules of the ashram and also about the history of how the ashram was established. She guided us about the people in the ashram.

After handing over the snacks arranged for them, we began with the meet. The ashram had HIV positive kids and old aged people. We first visited the old aged homes where we interacted with them, sang songs and clicked pictures with them. We also danced with them. After lunch we met the kids and arranged games like musical chairs and antakshari; also entertaining them with music played with guitar and djembe.

The visit ended with the cake cutting by the ashram kids and with thanksgiving to each other. The sisters of the ashram thanked us for organizing a memorable visit. We left the ashram at 3:00pm reaching the college by 5:00pm.

Shop under Etamax

Venue: Foyer

Date: February 21 to 23rd, 2016

We bought some products (like: bags, candles and dusters) from Mukteevan Ashram and we kept the shop during the Etamax(Fest). Although we didn't gain any profit from those and even some of the products went unsold, but people showed interest in buying some of the products like candles, which were sold. Some of the council members of the cell, came up with an alternate way of selling by taking the products and approaching people.

We kept the shop for 2 days. And received a moderate response from students, teachers and others alike.

TREE PLANTATION DRIVE ON THE OCCATION OF UNIVERSITY FOUNDATION DAY AUG 2014

“One Department One Tree” -Tree Plantation Drive

“One Student One Tree” is an initiative of Ministry of HRD in line with the idea of Green and Healthy environment. As a responsibility towards Mother Nature and contribution to this initiative, AICTE has recommended every institute to carry out a plantation drive.

FCRIT conducted one department one tree programme on the first day of etamax under the guidance of Mrs. Bertha Fernandes, Basic sciences and Humanities department, FCRIT. In order to restore the eco-balance, this drive was taken with all seriousness. All departments were highly enthusiastic to make it a big success. The students planted saplings and watered the plants from each department. Every step of the programme was appreciated by the representatives of the administration. The programme created a great stir among the students.

**STREET PLAY AT UTTAN ON SAVE GIRL CHILD. FEBRUARY
12TH, 2015**

Save girl child is a most important social awareness topic now-a-days regarding the saving of girl child all through the country. There are various effective measures following which girl child can be saved to a great extent. There is huge level of poverty in the society which is the big reason illiteracy and gender inequality in the Indian society. So, education is the vital element to reduce poverty and gender discrimination as well as improve the status of girl child and woman in the Indian society. According to the statistics, it is found that female literacy is decreasing continuously in Odisha where girl child do not have equal access to the education and other activities. Related to this our students did a street play on February 12th, 2015 in our campus.

MUKTJEEVAN ASHRAM VISIT

Venue: Asangaon

Date: January 25, 2015

The visit to Mukteevan ashram was organized by Agnel social cell on January 25, 2015. We visit this Ashram atleast once in two years. The event was attended by 50 students and 3 faculty of our college. All members assembled in the college at 7.00am and left the college at 7.30am by the school bus arranged. The bus reached the ashram by 9am. After refreshment, the sister in-charge informed us about the rules of the ashram and also about the history of how the ashram was established. She guided us about the people in the ashram.

The ashram had HIV positive kids and old aged people. We first visited the old aged homes where we interacted with them, sang songs and clicked pictures with them. We also danced with them and distributed the snacks we arranged for them. After lunch we met the kids and arranged games like musical chairs and antakshari; also entertaining them with music played with guitar.

The visit ended with the cake cutting by the ashram kids and with thanksgiving to each other. The sisters of the ashram thanked us for organizing a memorable visit. We left the ashram at 3:00pm reaching the college by 5:00pm.

SELF DEFENCE FEBRUARY 13TH,2015

According to the right of private defence sections 96 and 97 of the Indian Penal Code, nothing is an offence which is done in the exercise of the right of private defence. Further, according to the right of private defence of the body and of property, every person has a right (subject to the restrictions contained in Section 99) to defend his own body or that of any other person or against any offence affecting the human body.

"If someone insults a woman or tries to kill a person, then the law empowers a common man to kill that person. This is not just the powers vested in the police, if someone is insulting any mother and sister, if somebody tries to immolate a house or shop, or if someone tries to kill a person in front of you, then a common man has been empowered by the law to kill that person," said K.P Singh, the Director General of Police (DGP) of Haryana.

Self-defence seminar was conducted on February 13th, 2015. The speaker explained the importance of self-defence and explained seven self-defence essentials to protect ourselves.
