**Sub:** Industrial visit for the Final year Mechanical Engineering students on 16<sup>th</sup> March 2018

Respected Sir,

Father Conceicao Rodrigues Institute of technology is a reputed engineering college affiliated to the University of Mumbai located in Vashi, Navi Mumbai. Our Institution is one such exemplar of educational refinement as envisioned by our founder. We are known for our commitment towards building future citizens who are imbued in a strong sense of professionalism and ethical values

A visit to your organization would provide the perfect opportunity for our students to experience the working biogas plant and it is the part of their curriculum. In this context we request your esteemed organization to grant permission to our students to visit your company. They should be allowed to visit plant site to understand the process and any other section which you deem fit. Any expert to explain/address their queries would be of immense help. This exposure to the industrial setup will greatly benefit them.

We would like to send a group of 44 students accompanied by their faculty to your organization in Kalava on 16<sup>th</sup> March 2018. The list of students and faculty members will be provided if required.

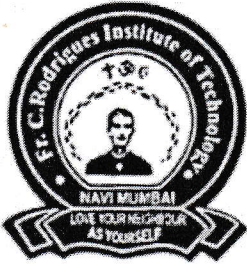

Expecting a favorable response.

Thank you.

Sub : Permission for Industrial Visit to the Students of your Educational Institute.

Dear Madam,

With reference to your request and subsequent letter on the above subject, we hereby confirm the Industrial visit of **80** students alongwith **2** Staff members of your Educational Institute on 14th Oct. 2017 (Saturday) 2.15 pm to 5.30 pm, subject to following Conditions:

1. All students should come in formal dress and Shoes (Preferably Black-Safety).
2. A detailed schedule of the visit will be briefed at Main Gate.
3. Safety Helmets will be given to all at Main Gate, everybody has to wear Safety Helmet during Plant Visit.
4. The plastic bags, School Bags, Camera, Mobile Phone and costly instruments will not be allowed in the plant premises.
5. Since this is an engineering Industry as well as Major Hazardous Unit category, everybody is expected to take care of their own Safety. **Plant visit will be strictly on your own risk.**
6. There should not be any nuisance and disturbance to the employee, especially those who are working on machines. Students should follow discipline. Nobody should allow loitering in the plant premises.
7. Please intimate, if you postpone or cancel the visit due to some unavoidable reasons in advance.

You are requested to send us the list of students & teachers for final confirmation of the visit. Please free to talk to undersigned if any doubt.

We hope that you will co-operate with us for taking care and guiding the students during the visit.

Thanking you,

Yours faithfully,  
For JSW Steel Coated Products Ltd.

  
Baban Jadhav  
Senior Manager – Human Resources

P.S. : Please confirm and sign the letter as a token of acceptance of the above conditions.

**Sub: Industrial Visit to Esteemed Organization " MECO INSTRUMENTS, MAHAPE "**

Respected Sir,

Fr. Conceicao Rodrigues Institute of Technology was established in 1994 at Vashi, Navi Mumbai. The main aim of the organization is not only to provide quality technical education and opportunity for all round development to its students but also to inculcate in them proper values, so that they emerge as wholesome individuals. It is reputed for its academic excellence, which is reflected in its outstanding results. Ever since the first batch graduated in 1998, the students have been consistent in their performance, obtaining ranks at the University level. It has been accorded grade 'A' status by the Government of Maharashtra and is recognized by AICTE, New Delhi.

The Department of Electronics and Telecommunication Engineering is one of the most reputed in Mumbai University, well known for both its academic excellence and innovative approach. It has been successfully organizing seminars/workshops/Industrial visits for the benefit of students.

We are grateful and thankful to you for accepting our request of industrial visit to esteemed organization MECO Instruments Pvt. Ltd, on Thursday 17<sup>th</sup> and Friday 18<sup>th</sup> August 2017, on each day maximum 40 number of students and 2 faculty staff at 9.30 am. This visit will be beneficial to the student learning this semester Electronic Instrumentation subject, in terms of understanding the concepts and practical aspects of the subject.

The list of students with faculty members and official request letter forwarded through the email and the set of the original copies will be produced on the day of visit.

Thanking you once again for the kind co-operation and a favorable response.

## IETE-ETSA Students' Forum

To,

Date: 06/01/2018

Mr. Ashok Jagtap

Assistant Manager

Jawaharlal Nehru Port Trust (JNPT),  
Nava-sheva, Uran, Raigad

**Sub: Request to permit students Industrial Visit to Jawaharlal Nehru Port Trust (JNPT)**

Respected Sir,

Fr. Conceicao Rodrigues Institute of Technology was established in 1994 at Vashi, Navi Mumbai. The main aim of the organization is not only to provide quality technical education and opportunity for all round development to its students but also to inculcate in them proper values, so that they emerge as wholesome individuals. It is reputed for its academic excellence, which is reflected in its outstanding results. Ever since the first batch graduated in 1998, the students have been consistent in their performance, obtaining ranks at the University level. It has been accorded grade 'A' status by the Government of Maharashtra and is recognized by AICTE, New Delhi.

The Department of Electronics and Telecommunication Engineering is one of the most reputed in Mumbai University, well known for both its academic excellence and innovative approach. It has been successfully organizing seminars/workshops/Industrial visits for the benefit of students.

We will be grateful and thankful to you if we get permission to visit your esteemed organization Jawaharlal Nehru Port Trust (JNPT), Uran on any suitable day in the month of January 2018 for our engineering students accompanied by faculty members (total 80) in suitable batches of groups at any timing convenient to you. The list of students and faculty members will be provided on confirmation.

Anticipating a favorable response,

SEL

Dr. Milind Shah  
Professor and Head  
Deptt. of Electronic and  
Telecommunication Engg.

Dear Sir/Madam,

As discussed in previous mail, we would like to arrange industrial visit for our second year (sem IV) students to your factory. The college has internal assessment exams and technical programmes in this month. Students are free only on Saturdays. So kindly let me know whether 3rd March is possible.

Thanks & Regards

Dear Madam,

As per our latest telephonic conversation, we confirm suitability of Mar 7th for the visit. 10:30 am will be a suitable time to start the visit. We will split the students into 3 batches so that all three batches are taken to different parts of the factory at the same time. That should enable us to wrap up the tour by 12:30 pm.

Address : E/08 MIDC, Additional Ambarnath Industrial Area, Anand Nagar, Thane 421 506. Landmark : Next to ASB Company.

We look forward to the visit.

Regards,

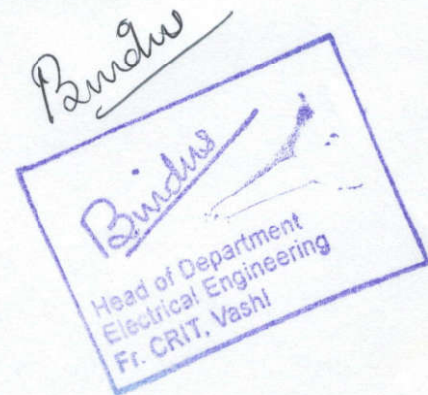

Jaipreet Singh Saini.
