Respected Sir,

On behalf of the Department of Mechanical Engineering, we wish to thank you for sharing your deep knowledge and experience through Industrial visit for the Second Year Mechanical Engineering students on April 16, 2019. The entire session was knowledgeable, informative and interesting.

We appreciate the time you took out of your busy schedule to explain various processes and your willingness to volunteer your time, energy and support is also greatly appreciated. We are looking forward for more such interactions with you in future.

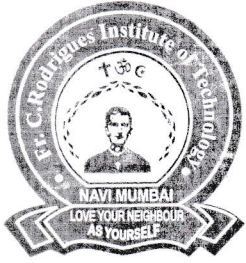

Thanking you,

Yours Truly,

Sub: Industrial visit for the final year mechanical engineering students on 09th March 2019

Respected Sir,

Father Conceicao Rodrigues Institute of technology is a reputed engineering college affiliated to the University of Mumbai located in Vashi, Navi Mumbai. Mechanical Engineering is the most sought-out branch of Engineering. In the constantly evolving technological scenario and it has been the very backbone of the industrial infrastructure.

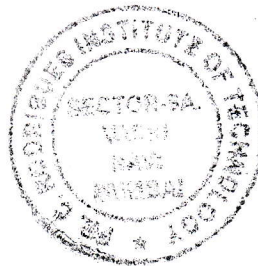

A visit to your organization would provide the perfect opportunity for our students to experience the **working of biogas plant** and it is the part of their curriculum. In this context we request your esteemed organization to grant permission to our students to visit your plant. They should be allowed to visit plant site to understand the process and any other section which you deem fit. Any expert to explain/address their queries would be of immense help. This exposure to the industrial setup will greatly benefit them.

We would like to send a group of **44 students** accompanied by a faculty member to your organization at Dombivli on **09th March 2019**.

Expecting a favorable response.

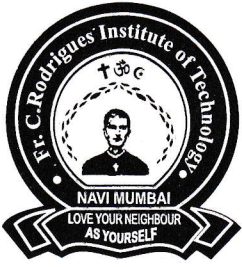

Thank you.

Head of Department
Department of Mechanical Engineering
FCRIT, Vashi

Sub: Request to permit students Industrial Visit to LG Electronics Plant, Pune

Respected Sir,

Fr. Conceicao Rodrigues Institute of Technology was established in 1994 at Vashi, Navi Mumbai. The main aim of the organization is not only to provide quality technical education and opportunity for all round development to its students but also to inculcate in them proper values, so that they emerge as wholesome individuals. It is reputed for its academic excellence, which is reflected in its outstanding results. Ever since the first batch graduated in 1998, the students have been consistent in their performance, obtaining ranks at the University level. It has been accorded grade 'A' status by the Government of Maharashtra and is recognized by AICTE, New Delhi.

The Department of Electronics and Telecommunication Engineering is one of the most reputed in Mumbai University, well known for both its academic excellence and innovative approach. It has been successfully organizing seminars/workshops/Industrial visits for the benefit of students.

We will be grateful and thankful to you if we get permission to visit your esteemed organization LG Electronics, Pune on any suitable day in the month of July first week or second week, 2019 for our third year engineering students accompanied by faculty members (total 83) in suitable batches of groups at any timing convenient to you. Please find the attached 'list of students and 'faculty members'.

Dear Madam,

Greetings from L&T Switchgear Training Centre, Pune.

It gives me immense pleasure to introduce you to Larsen & Toubro, Switchgear Training Centre, Pune. This training centre is dedicated to promote good Electrical Engineering & Automation Practices in electrical professionals. We conduct around 22 various training programs for electrical professionals on different subjects in Electrical Engineering. Please see attached our training catalog & schedule. We have specially designed one training program for 3 days titled "Introduction to Industrial Electrical Systems" (LT14) for 3rd & 4th year students of Electrical & Electronics Engineering. Refer attachment for details.

This program addresses the need of bridging the gap between academics & industry. It help students to know the latest trends in electrical industry in general & switchgear field in particular. The main feature of this program is it is right combination of theory & practical sessions conducted by experienced & expert faculties with many years of industrial experience. An interesting feature of this program is that it is generic in nature, i.e. It is applicable to any brand of products and not specific to L&T Products.

Institutions and students who have attended this program in past have greatly admired this program. Many Engineering colleges of repute send their students every year in batches to attend this program.

Looking forward to conducting training program for students of your esteem institution in near future. I am enclosing our training calendar for the year for 2016-17. Please feel free to call me if you need any further information in this regard.

Thanking you.

We can schedule industrial visit on 31st January, 2019. The charges for visit would be Rs. 500/-per student.

Best regards
Reena Dube

Subject: Permission for Industrial visit.

Reference: Your email dtd. 16.07.2018

Dear Sir,

In pursuance of the powers delegated to the Chief Engineer, GTPS, Uran, permission for the industrial visit for 62 students with 02 faculty members of your college is granted at their risk and cost with following conditions.

No. of Trainee per batch - **Maximum 62** Nos. plus 02 faculty members

Date of visit: - 21.07.2018 **at 10.30 Hrs.**

- **Timings:-** 10.30 hrs. to 13.30 hrs.
- Trainees should report first to security officer to complete security formalities.
- **Separate list of trainees** should be submitted to training dept. and security dept.
- **Trainees must have Identity card** with them due to declaration of "sensitive zone" in this area.
- **Shoes are compulsory** in view of safety in industrial area, preferably safety shoes. (No floaters/ sandals will be allowed)
- Photography in any form is strictly prohibited.
- Mobile phones are not allowed in the GTPS premises.
- MSPGCL will not be responsible for any accident or mishap during the visit.
- **You will have to pay Rs. 100/- Plus GST (18% or as applicable at the time of visit) per trainee** towards administrative expenses.
- Fees to be paid in cash to the cash dept. Or Demand Draft in favour of MSPGCL before the visit; on confirmation of the payment by training dept. and security dept. visit can be initiated.
- Inform your contact no. and confirm as soon as the receipt of this order.
- For further details/ queries please contact on safetyuran@mahagenco.in training dept. At GTPS, TSC 022 27222285 Extn. No. 549

Thanking you ,

With regards.

Hello sir,

So I have confirmed with the local team here. We will start with the factory tour at 11.00 am (1 hour). I would request the students to arrive at the factory gate by 10.00 am so that we have sufficient time to complete the entries at the security gate. Few things that I would need: An updated attendance sheet with the following details which will be used by us for roll call at the time of entry and exit (Please provide the updated document with signatures at the time of entry). Please ask the individuals to carry their id cards.

Sr. No.	Full name	Signature

Please provide me Trupti's contact details so I can speak with her and have this organized.

Dear Rupali,

This is in regards to the Industrial Visit scheduled for the students of FCRIT, Vashi on Saturday, 30th March 2019. The final details for the event are mentioned below.

1. The reporting time is 9:30 am.
2. All the faculties and students are requested to bring their college ID cards and photo ID proofs.
3. Parking is not allowed inside the campus. Everyone is requested to use the paid parking, outside the campus.
4. Everyone is requested to collect their visitor ID passes from the Gate house. Everyone needs to come at the following address for the same:

Gate House (Main Gate)
Reliance Corporate Park,
Thane-Belapur Road,
Navi Mumbai – 400701

5. Everyone is requested to report on the above mentioned time without fail so that we can run the schedule shared with you previously, on time.

Looking forward to a great experience with all students and faculties.

Thanks & Regards,
Vartika Chawla
