4.1.1. Photographs of adequate facilities for Teaching – Learning

4.1.1: Adequate facilities for teaching – learning

The Institute has provided the infrastructure such as adequate number of class rooms, laboratories, workshop and seminal hall etc as per AICTE norms. All the class rooms equipped with black-boards and with LCD projectors. Each Department has equipped laboratories with sophisticated instruments and computer labs with internet facilities. Classroom can accommodate approximately 80 students. Some LCD Projectors are fixed in classroom and Projector is also available in this classroom.

Following are certain images of classrooms, laboratories, workshop and seminal hall etc.
