Sustainable, Ethical, and Environmental Development (SEED) Students' Council

- ✓ Tutoring the Balbhavan students Dr. Pranali Choudhari along with her team of 9 students tutored the students of std 9th and 10th for their difficulties in Mathematics. This drive began during the mid semester break i.e. 3rd of September 2019, and was continued upto 16/10/2019. The students would tutor the kids for 2 hours everyday.
- ✓ Expert talk on “ Green Computing Initiative in design of microprocessors” was delivered by Ms. Deepa Paul, our Alumni currently working as Pre-Silicon Validation Engineer, Intel Corporation California to the Third year students of EXTC dept. on 1/10/2019. The prime objective of this activity was educate the students about few inadequacies of the current fabrication methods of microprocessor, integrated circuits, and the sustainable solutions implemented by leading manufacturer to circumvent these problems.
- ✓ Expert Talk on “Seminar of future Career Prospects for Turbhe slum children” was delivered by Ms. Prachi Yeram on 30/8/2019 in order to counsel the young students of Std 8,9,and 10th from Turbhe Slums regarding the future career options. It was also an exposure for our students to interact with these kids and understand the current scenario of education in the slums Ms. Prachi Yeram also held the post of Chairman- SEED Council for the academic year 2018-19.
- ✓ Many Parts of Maharashtra state were under severe flood condition during August 2019. Nearly 2.5 lakh people have been evacuated in Sangli, Kolhapur and Pune. There are many agencies working in this direction, collecting the necessary material and delivering it to these places. Though all genuinely want to extend help and do our bit in this time of crisis, it might have not become possible for everyone to reach out to these places for donating the essentials. SEED committee had taken up this responsibility of collecting the materials that people wish to donate and deliver it.
- ✓ MINDCRAFT : An idea- hackathon aiming to find the eco-friendly solution to simple problems was organized for the SE and TE students of EXTC on 1st of August , 2019. The winner are:
 - 1st : Joel Cherian, Abhishek Basu, Arsh Firfire, Karmesh.S.Chaudhari
