B. Brief Summary of the Activity/Event (in maximum 500 words)

a. Objectives

- 1. To provide student with knowledge on electrical Design and consequent responsibilities relevant to the engineering practices
- 2. To create awareness amongst student about role of electrical engineers in industrial automation and also about technological advancement in the field of engineering over the years
- 3. To produce time management skills to student which they can apply to their own work, or as a member or leader in teams

b. Technical Description : The vidyut seminar is organized by electrical engineering students association of department every semester. Expert from industry are invited to deliver sessions on diverse topics that will help student to gain knowledge on topic in the context of outside their engineering curriculum.

c. Outcomes

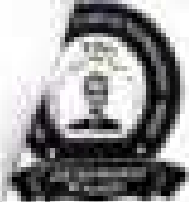

PO6: The students will be able to apply the knowledge to discuss legal and safety issues applicable to railway electrification and consequent responsibilities relevant to professional engineering practices.

PO7: Students will be able to develop a system that ensures environmental sustainability through best engineering practices.

PO12: Students will be able to use knowledge in design and development of railway electrification system design in their life.

9. Brief Summary of the Activity/Event (in maximum 100 words):

a. Objectives

- :**
1. To provide students with knowledge on electrical safety issues and consequent responsibilities relevant to the professional engineering practices.
 2. To create awareness amongst students about how to take care of mental health and how to manage stress.
 3. To impart life-long learning to students about role of electrical engineers in Industrial Automation and also about technological advancements in the field of engineering over the years.
 4. To introduce time management skills to students which they can apply to their own work, or as a member or leader in a team.

b. Technical Description

The Visitor Seminar Series is organized by the Electrical Engineering Students' Association of department every semester. Experts from Industry are invited to deliver sessions on diverse topics that will help students to gain knowledge on topics in the context of outside their engineering curriculum.

Sub: Appreciation letter for conducting IOT workshop for Electrical students

Dear Sir,

Thank you very much for accepting our request and conducting IOT workshop for our Electrical students on 7th March 2022 and 28th April 2022 under EESA. The sessions were very informative. The information shared on basis of IOT and demonstration shown would definitely help our students to implement more IOT based Projects.

We look forward to continued interaction in future as well.

Thanking you,

Yours truly,

Brief Activity/Event Report

1. Name of the Activity/Event : "Dissemination of Vision Mission of Institute and department among students"
2. Activity/Event Venue & Date : Online Teams/ 13th November 2021
3. Nature of Participants : Students of sem 3 / Staff of Electrical
4. Number of Participants : 18 / 3
5. Student Coordinator : EESA council
6. Staff Coordinator : Mrs. Harshada Bhosale
7. Brief Summary of the Activity/Event (in maximum 500 words):
 - a. Objective : Increase awareness about Vision Mission of Institute and department , POs , PEOs and Outcome based Education among sem 3 students
 - b. Technical Description :

An online session in Teams on awareness about Vision Mission of Institute and department , POs , PEOs and Outcome based Education among sem 3 students was arranged on Nov 13, 2021. A presentation was taken by Mrs. Rashmi K. on Vision Mission of Institute and department , POs , PEOs wherein students were made aware about these and OBE teaching learning process by accreditation team Dr. Harsh R. and Mrs. Rashmi K. Students were informed and also encouraged to give their suggestions on how they can participate actively to achieve the vision and mission of Institute and department.
 - c. Outcomes :
 1. Awareness of Vision Mission among students
 2. Increased awareness of students about OBE teaching learning process.
 3. Platform for interaction among teachers and students of lower semester to clear doubts on various department related activities
 - d. Summary of Feedback : A quiz was conducted to check understanding of students on topics discussed about Vision, Mission of Institute and department, POs, PEOs and Outcome based Education.
