Brief Report of Event conducted by IETE-ETSA

1. Name of the Activity/Event : PCB Design Workshop
2. Activity/Event Venues & Dates : 24th July, 2024, 3.30 - 5.30pm and
29th July 2024, 3.30 - 5.00pm
3. Nature of Participants : Students of SEM III, EXTC Dept.
4. Number of Participants : 24th July : 62, 29th July : 55
5. Student Coordinator : Mr. Sachin Malpe, Ms. Anushka Chauke
6. Staff Coordinator : Ms. Sneha Revankar, Ms. Akshata Raut
7. Recourse Person : Tabled in 9 (b)
8. Brochure: -

9. Brief Summary of the Activity/Event (in maximum 500 words):

a. Objectives :

1. To acquaint students with PCB design software and tools.
2. To offer hands-on experience in both designing and producing PCBs.
3. To improve students' problem-solving skills through practical design challenges.

Fr. C. Rodrigues Institute of Technology, Vashi

(An Autonomous Institute & Permanently Affiliated to University of Mumbai)

b. Technical Description :

IETE-ETSA students' chapter organized a workshop for the EXTC students on 24th July 2024 and 29th July 2024.

1. Introduction to PCB Design

- Overview of PCB components and their roles.
- Discussion of PCB design rules and best practices.

2. Software Tools and Techniques

- Introduction to PCB design software Eagle.
- Hands-on practice with software to create PCB layouts.

3. Practical Demonstration

- Design and simulation of a basic PCB circuit.
- Fabrication of the designed PCB using available resources.

4. Review and Q&A

- Taking Students feedback.
- Open forum for questions and clarifications.

IETE-ETSA students' chapter invited the resource persons as mentioned below.

Sr. No .	Name and Affiliation of Resource Person	Content
1	Mr. Aditya C. and Mr. Darshan Ahire BE Students, FCRIT Navi Mumbai	Introduction to PCB design software Eagle and Hands-on practice with software to create PCB layouts
2	Mr. Prashant M. and Mrs. Sreekala N. Lab Assistants, FCRIT Navi Mumbai	Practical Demonstration of fabrication steps to design PCB using available resources.

The resource persons covered the PCB design software and practical demonstration of fabrication steps of aspects of circuit simulation on Eagle software. They emphasized on the importance of this software and its help in making of PCB for their course/mini projects.

c. Outcomes :

PO 5: Modern tool usage: Speaker guided the students to create, select, and apply appropriate techniques, resources, and modern engineering and IT tools for modelling to complex engineering activities with an understanding of the limitations.

PO 9: Individual and teamwork: Speaker demonstrate success in a Team-based project with smooth integration of contributions from all individual efforts.

PO 12: Life-long learning: Speakers also demonstrate an ability to identify changing trends in engineering knowledge and practice.

Fr. C. Rodrigues Institute of Technology, Vashi

(An Autonomous Institute & Permanently Affiliated to University of Mumbai)

d. Attendance of Participants:

PCB Design Activity

Agnel Charities' Fr. C. Rodrigues Institute of Technology, Vashi, West-Mumbai

e. Feedback with Summary:

A random feedback on the session was collected and summarized below. Only 33 students given the feedback.

	Did the workshop meet your expectations?	Was the workshop well-organized?	Was the presenter interactive?
Yes	23	30	32
No	2	2	1
Maybe	8	1	0

	What is your overall assessment of the workshop?
Excellent	10
Very Good	13
Good	7
Satisfactory	3
Total	33

IETE-ETSA Students' Forum

July 29, 2024

To:

Mrs. Sreekala Nair
Lab Assistant,
FCRIT, Vashi
Navi Mumbai

Subject: Letter of Appreciation for conducting a demonstration during PCB design workshop.

Dear **Mrs. Sreekala N.**,

We are thankful to you for the workshop on "PCB Design" to SE students of Electronics & Telecommunication Branch, organized by IETE-ETSA on 29/07/2024 at 3.30 PM as a part of PCB Design workshop. The demonstration was very informative and appreciated by both students and teachers. The insights provided by you will definitely help students in their further studies.

We look forward to such interaction in the future too.

Thanking you,
 With warm regards,
 Yours truly,

 Dr. Megha Kolhekar,
 Head EXTC Department

 (Mrs. Sreha R).

9. Brief Summary of the Activity/Event (in maximum 500 words):

a. Objectives :

1. To acquaint the students about the innovation and its importance for sustainability Industry.
2. To acquaint students about the current circuit simulation software in Industry.

b. Technical Description :

IETE-ETSA students' chapter organized a lecture series for the EXTC students on 3rd August 2024. Bandwidth – Dept. Magazine was published by Rev. Fr. Seby Rodrigues, Assistant Managing Director, ATEC, Vashi.

IETE-ETSA students' chapter invited the dignitaries form Industry as mentioned below.

Fr. C. Rodrigues Institute of Technology, Vashi

(An Autonomous Institute & Permanently Affiliated to University of Mumbai)

Sr. No .	Name and Affiliation of Resource Person	Content
1	Mr. Prasad Jainapur, General Manager, Ribbon Communications, Mumbai	Telecommunication – Present and Future
2	Mr. Jayant M.B Application Engineer, Digi-Toad Technologies Pvt. Ltd. Bangalore	Workshop on Multisim

Mr Prasad Jainapur's talk highlighted with the following points:

- ✓ Inception of Telecommunication Industry
- ✓ Present scenario in Industry
- ✓ How growth of Communication is taking place in India.

Mr. Jayant M. B covered the design and application of aspects of circuit simulation on Multisim software. He emphasized on the importance of this software and its help in making of PCB for their course/mini projects. The session was hands-on using trial version of Multisim software provided by the speaker.

c. Outcomes :

PO 7: Environment and sustainability & PO 8: Ethics: Speaker guided the students on innovation, sustainability, ethics and motivated them for innovation.

PO 12: Life-long learning: Speakers also covered the current trends in the industry. They also briefed about the expected skill sets of core branch from the students. Finally asked students to find their needs and become a lifelong learner to achieve the requirement of professional career.

Brief Report of Event conducted by IETE-ETSA

1. Name of the Activity/Event :Expert Talk on Code of Conduct
2. Activity/Event Venue & Date :3rdAugust 2024, 10.00 to 11am
3. Nature of Participants :Students of SEM III and VII of EXTC Dept.
4. Number of Participants :78
5. Student Coordinator :Mr. Sachin Malpe, Ms.Anushka Chauke
6. Staff Coordinator :Dr. Prasad Kulkarni, Ms.Sneha Revankar,
Ms. Akshata Raut
7. Recourse Person :Tabled in 9(b)
8. Brochure:-

9. Brief Summary of the Activity/Event :

a. Objectives :

To foster the culture by inspiring participants to contribute to a positive and ethical organizational culture by adhering to the principles outlined in the Code of Conduct.

b. Technical Description :

IETE-ETSA students' chapter organized an expert talk on Code of Conduct to EXTC students on 3rd August 2024 from 10am to 11am.

IETE-ETSA students' chapter invited the resource person from reputed college as mentioned below.

Fr. C. Rodrigues Institute of Technology, Vashi

(An Autonomous Institute & Permanently Affiliated to University of Mumbai)

Sr. No .	Name and Affiliation of Resource Person	Content
1	Ms. Pratibha Dumane Associate Professor, Don Bosco Institute of Technology, Mumbai	Code of Conduct

Ms. Pratibha Dumane emphasized on the importance of Code of Conduct in our professional as well as personal life. The speaker also provided a clear understanding of what a Code of Conduct is, its purpose, and its importance in various settings (e.g., workplaces, schools, organizations). Outlined the specific behaviors and standards expected from individuals within an organization or community to promote a respectful and inclusive environment. Moreover, speaker also discussed the potential consequences of violating the Code of Conduct, both for individuals and the organization as a whole.

c. Outcomes:

PO 8: Ethics: Speaker guided the students by providing a framework for acceptable behavior, helping individuals understand what is considered ethical within an organization or community.

PO 12: Life-long learning: Speakers also covered as how it encourages individuals to reflect on their actions and learn from experiences, promoting personal and professional development. Finally engaging with ethical dilemmas and discussions enhances critical thinking, problem-solving, and communication skills.

**Mrs. ~~Pratibha Dumane~~,
 Assistant Professor,
 Don Bosco Institute of Technology,
 Mumbai**

Subject: Letter of Appreciation for delivering a session during Micro-2024

Dear **Mrs. ~~Pratibha Dumane~~,**

We are thankful to you for the talk on "Code of Conduct" to students of Electronics & Telecommunication Branch, organized by IETE-ETSA on 03/08/2024 at 10.00 AM as a part of MICRO-2024. The talk was very informative and appreciated by both students and teachers. The insights provided by you will definitely help students in their further studies.

We look forward to such interaction in the future too.

Thanking you,
 With warm regards,
 Yours truly,

 Dr. Megha Kolhekar,
 Head EXTC Department

Workshop Report

Name of the Department: EXTC: IETE-ETSA

1. **Name of the Activity** : **Technical Quiz**
2. **Activity Venue & Date** : **17th August 2024, 2.00pm to 3.00pm**
3. **Nature of Participants** : **Students of SEM V of EXTC Dept.**
4. **Number of Participants** : **51 students**
5. **Student Coordinator** : **Sachin Malpe, Anushka Chauke**
6. **Staff Coordinator** : **Dr. Prasad Kulkarni, Ms. Sneha Revankar, Ms. Akshata R.**
7. **Resource Person** : **---**
8. **Brochure:**

9. **Brief Summary of the Activity/Event:**

- a. Objectives: To evaluate in terms of knowledge, **Skill Enhancement**, Team Building, Identifying Talent, feedback and improvement and competitive spirit amongst the participants.

b. **Technical Description:**

IETE- ETSA student chapter organised a hand-on session on IoT.

The following topics were included in the session with hands-on session.

- Introduction to IoT-definition, significance and the key components: sensors, connectivity, cloud, applications. Types of sensors (temperature, humidity, etc.)
- IoT Architecture-Layered architecture: perception, network, application
- Communication protocols (MQTT, HTTP, CoAP). Sensor and Actuator Integration.
- Connecting sensors to microcontrollers

To evaluate this, a technical quiz was conducted and following questions were framed related to the above session. A few samples questions are written below:

- The maximum value of power supply for ESP6266 is _____.
- In ESP6266 the analog pins are _____.
- Which API key is used to download the data?
- The parameter required for pin declaration is _____ and _____.

Fr. C. Rodrigues Institute of Technology, Vashi

(An Autonomous Institute & Permanently Affiliated to University of Mumbai)

c. Outcomes :

PO5: Modern tools used, PO4: Investigate the complex problem solving skills, PO8: Ethics and P10: Communication skills: Participants demonstrate improved understanding of technical concepts and terminology. Participants apply critical thinking and problem-solving skills to tackle quiz questions. Successfully answering questions can increase participants' confidence in their technical abilities.

PO12: Lifelong learning: Participants become better prepared for real-world technical challenges through practical application of knowledge.
