

Incentive to Faculty Members

In order to foster the research activities and motivate faculty members for the quality research, the management has devised an incentive policy. The faculty members will be reimbursed an amount up to ₹ 7,000 as an incentive per academic year **spent towards availing a professional membership or subscribing to a journal**, if they qualify in any of the following criteria in the same academic year.

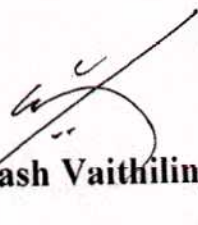

1. Publication in a refereed journal
2. Receiving a patent
3. Receiving prestigious award
4. Receiving research grant of more than ₹ 2 lakh
5. Carrying out consultancy activity of more than ₹ 50, 000
6. Writing a book with a reputed publisher

The maximum amount reimbursed per activity will be ₹ 7,000 irrespective of the number of faculty members involved in it.

If the faculty members qualify in more than two criteria in an academic year, they will be eligible for availing two professional memberships or subscribing to two journals in the same academic year amounting to maximum of ₹ 14,000.
