SUMMARY

Student-centered a versatile professional, combining my engineering background with over 15+ years of experience as an educator, all driven by my fervent passion for storytelling and instructional delivery. Experienced educator known for an unwavering commitment to fostering inclusive, immersive learning experiences. Renowned for exceptional project management skills, honed through extensive experience with diverse teams. Proficient in seamlessly integrating technology to ensure dynamic educational environments

EDUCATION —

MASTER OF ENGINEERING

2015

Computer Engineering
(First Class)

The University of Mumbai, India

BACHELOR OF ENGINEERING

2008

Computer Engineering
(First Class)

The University of Mumbai, India

KEY SKILLS —

Out-Of-The-Box Thinking
Creative

Follower of The Agile Approach
Instructional Designer

LANGUAGES —

English
Hindi
Marathi

EXPERIENCE

Educator and Instructional Designer

FR. C. RODRIGUES INSTITUTE OF TECHNOLOGY

23 DECEMBER 2008 -TILL DATE (Assistant Professor)

- *Instructional Delivery: 15+ years of experience in student-centered instructional delivery for adult learners as an Assistant Professor in the Department of Computer Engineering. teaching subjects such as Database Management Systems, Operating Systems, and Software Engineering.*
- *Instructional Design: Proficient in instructional design, with a demonstrated mastery of models like the ADDIE model and curriculum design. Notably, applied this expertise as the primary designer for the University of Mumbai's Web Technology course, resulting in the creation of engaging and highly effective instructional materials*
- *Faculty Training Programs: Successfully managed and executed faculty training programs, overseeing budget planning, scheduling, and curriculum design, resulting in enhanced professional development for educators and optimized resource allocation.*
- *Course Development: Ability to build interactive storyline using Articulate Storyline 360 that captures learners' interest.*
