END SEMESTER AUTONOMOUS KT EXAMINATION TIME TABLE - SECOND HALF OF 2025

Sem	Dates	Time	Computer	Mechanical	EXTC	Electrical
V	Saturday, 13 December, 2025	10:30 pm - 1:30 pm	Theoretical Computer Science	Mechanical Measurements and Controls	Random Signal Analysis	Electrical AC Machines - II
	Tuesday, 16 December, 2025	10:30 pm - 1:30 pm	Computer Network	Thermal Engineering	Discrete Time Signal Processing	Control System
				Dynamics of Machinery		
	Thursday, 18 December, 2025	10:30 pm - 1:30 pm	Data Warehousing & Mining	Finite Element Analysis	Digital VLSI	Electromagnetic Field and Wave
	Saturday, 20 December, 2025	10:30 pm - 1:30 pm	Department Level Optional Course - I: Advance Database Management System	—	—	—
VI	Monday, 15 December, 2025	10:30 pm - 1:30 pm	System Programming & Compiler Construction	Machine Design	Electromagnetics and Antenna	Power System Protection & Switchgear
	Wednesday, 17 December, 2025	10:30 pm - 1:30 pm	Mobile Computing	Turbo Machinery	—	Microcontroller Applications
	Friday, 19 December, 2025	10:30 pm - 1:30 pm	Artificial Intelligence	Heating Ventilation Air Conditioning and Refrigeration	—	Control System Design
	Saturday, 20 December, 2025	10:30 pm - 1:30 pm	—	Automation and Artificial Intelligence	—	Signals and Systems
	Monday, 22 December, 2025	10:30 pm - 1:30 pm	—	Department Level Optional Course - I: Press Tool Design Metal Forming Technology	—	—
VII	Monday, 15 December, 2025	10:30 pm - 1:30 pm	—	Design of Mechanical System	Microwave Engineering	—
			—	Institute Level Optional Course – I: Energy Audit and Management	—	—
	Wednesday, 17 December, 2025		—	Department Level Optional Course-4: Machinery Diagnostics	—	—
VIII	Monday, 15 December, 2025	10:30 pm - 1:30 pm	—	Operations Planning and Control	Optical Communication and Networks	—
	Wednesday, 17 December, 2025	10:30 pm - 1:30 pm	—	—	Department Level Optional Course – 5 : Wireless Networks	—
	Friday, 19 December, 2025	10:30 pm - 1:30 pm	—	—	Institute Level Optional Course – 2 : Digital Business Management	—
