### FCRIT – FAECS 2023:

FACES is our first festival for every academic year. It has therefore had a special place in our hearts since our first years at college, and we, the Student Council, hope to make FACES 2021 just as memorable. It is an intra-college event in which every Department takes part with zeal and passion. During this three-day gala, everyone's excitement is pumping because they want to gain points for their respective departments. FACES is that muchneeded break in our oh-so-busy semesters; ergo come join in whatever interests you, as we make sure to offer something for everyone, and remember that the only rule is to have fun.

### THEME: Ehsaas

Ehsaas is the hindi word meaning feeling and the sensation. It is the joy that one feels when they win a competition...the warmth that encircles the person while playing and being with their friends! The motivation one gets while seeing others play and compete...the sportsmanship that rises high within everyone when they are on field, all these emotions encapsulate “EHSAAAS” Even the slightest joy within all the people when someone wins and the extreme grief that goes around the ground when one loses is EHSAAAS. And finally, the realization that wining and losing is just a part of the game and the most important thing is to participate and remember the warmth and joy you felt while playing. The sportsmanship shown in sports and enthusiasm shown in cultural events is EHSAAAS.

1. **Name of the Event/ Activity** : Dhol Tasha and Lezim
2. **Event/ Activity Venues and Dates** : College Campus, Date 13/09/2023
3. **Nature of Audience** : Students and Faculty Members
4. **Student Coordinator** : MM Council
5. **Teacher Incharge** : Dr. Megha Kohlekar , Prof. Rashmi Kale

6. **Summary of the Event/ Activity** :

▪ **Objectives:**

The objective of organizing the Dhol Tasha and Lezim event was to celebrate and showcase the rich cultural heritage of Maharashtra. The event aimed to preserve and promote traditional Marathi music, fostering a sense of pride and belonging among the community members. Additionally, it aimed to educate the audience, both within and outside the Marathi community, about the historical and cultural significance of Dhol Tasha and Lezim in the Marathi tradition.

▪ **Cultural Description:**

The event was a vibrant tapestry of Marathi culture, featuring the rhythmic beats of Dhol, the energetic performance of Tasha artists, and the graceful movements of Lezim dancers. Dhol, a traditional Indian drum, echoed the heartbeat of Maharashtra, symbolizing unity and festivity. Tasha, another percussion instrument, added layers of excitement and energy to the event. Lezim, a folk dance form accompanied by Lezim sticks, showcased the agility and artistic prowess of the performers.

1.	Dhol Tasha Pathak	Swarabhimani Pathak
2.	Lezim Participants	27 students

▪ **Outcomes:**

The event received an overwhelming response from the audience, both Marathi community members and attendees from diverse backgrounds. It succeeded in creating a sense of community pride and belonging among the Marathi diaspora. The event served as a platform for talented local artists to showcase their skills and receive recognition. Moreover, it enhanced cultural understanding and appreciation among non-Marathi attendees, fostering cross-cultural harmony.

### 9. Brief Summary of Activity:

- a. **Objectives:** The NSS unit of Fr. C. Rodrigues Institute Of Technology organized a blood donation camp in Fr. Conceicao Rodrigues Institute of Technology (FCRIT), Vashi. The camp was conducted in collaboration with NMCC. The main objective of this camp was to encourage voluntary blood donation among students, faculty, and staff members of FCRIT, as well as the local community.
- b. **Description:** The blood donation camp started at 9:00 AM and continued until 4:00 PM. The camp was set up in the college Second Floor Seminar Hall, where all the necessary arrangements were made, including beds, medical equipment, and refreshments for the donors. The NMCC doctors and nurses, along with the FCRIT staff, were present to ensure the smooth running of the camp.
- c. **Outcomes:** A total of 122 people donated blood during the camp. The donors included students, faculty, and staff members of FCRIT. The camp was successful in achieving its objectives of promoting voluntary blood donation and raising awareness about the importance of donating blood.

community.

- b. Description:** The Volunteers of NSS FCRIIT and United Way Mumbai organized this seminar on road safety. The seminar gave a healthy and knowledgeable outcome to participants, it was focused wholesomely on safety measures related to road safety. The seminar got a tremendous response from participants providing NSS volunteers.
- c. Outcomes:** Road safety encompasses a range of significant achievements. Firstly, the event resulted in increased road safety awareness, ensuring that participants and the community at large gain a deeper understanding of the importance of road safety measures, traffic rules, and responsible behaviour. Furthermore, it should lead to the adoption of safe practices, with people embracing habits like wearing helmets, and seatbelts, and using pedestrian crossings. One of the most critical outcomes is a reduction in road accidents, signaling the event's positive impact on the community's safety. Additionally, the event should encourage improved compliance with traffic laws, fostering a culture of responsible road use. It should also stimulate community involvement, with members taking an active role in road safety initiatives and feeling a shared responsibility for making the roads safer for everyone. Knowledge dissemination is another vital outcome, ensuring that road safety information and best practices reach a broader audience through educational materials, workshops, or seminars. The event's success should lead to collaborative partnerships with local authorities, law enforcement, and relevant organizations, bolstering road safety initiatives in the community. Ultimately, these outcomes should result in sustained awareness and ongoing efforts to enhance road safety within the community, ensuring that the impact is not temporary but endures over time.

- e. **Impact Analysis:** The feedback summary for the NSS road safety event is largely positive, with participants responding well to the informative and engaging nature of the event. Attendees noted an increased awareness of road safety and appreciated the practical knowledge shared. Many expressed a desire for more follow-up initiatives and indicated a willingness to contribute to ongoing road safety efforts. While overall feedback was positive, some constructive criticism was provided, which should be considered for future events. There's a call for measuring the long-term impact of the event and a recognition of the potential for partnerships with local authorities and other organizations. The sustainability of the momentum created by the event is emphasized, pointing to a successful road safety initiative.

- d. Summary of Feedback : Voice should be audible to last seat even if you don't have the mic. If you get stuck in between just take a deep breath and continue and the judge also narrated his personal story for the same. Result of the competition is not important than what knowledge or insights you will gain through this competition.
- e. Action to be Taken based on Feedback: In future the voice taken care of and Keep organising events that provide a platform for the students to showcase their talent and indulge more in extra-curricular activities which can act as a stress buster for them. Another aim would be to motivate more and more students to take part in it and in the events associated with it.

#### Brief Activity/Event Report

##### Name of the Department/ Institute level Committee:

1. **Name of the Activity/Event** : From Waste to Wonder : Workshop on eco bricks
2. **Activity/Event Venue & Date** : 14 September 2023
3. **Nature of Participants** : Engineering students of first ,second and third year
4. **Number of Participants** : 47
5. **Student Coordinator** : Noreen Alex
6. **Staff Coordinator** : Dr. Pranali Choudhari

##### a. Brief Summary of the Activity/Event (in maximum 500 words):

"Waste to Wonder" is an eco-bricks workshop aimed at promoting environmental sustainability and waste reduction. Participants engage in the creative process of transforming plastic waste into eco-friendly building blocks known as eco-bricks. These workshops typically involve community members or volunteers who collect and clean plastic waste, compacting it into sturdy bricks that can be used for various construction projects. The event serves as a hands-on educational experience, raising awareness about the impact of plastic pollution and inspiring eco-conscious practices. Through the transformation of waste into a useful resource, "Waste to Wonder" workshops contribute to building a more sustainable and environmentally friendly future.

- b. **Objectives** : Actively reduce plastic waste into eco bricks and foster community and engagement and spread awareness on eco bricks among the students.
- c. **Technical Description**: The workshop successfully yielded approximately 55 bricks, marking a tangible outcome of the participants' collective efforts.
- d. **Outcomes** : The eco bricks were successfully made. Students got hands-on experience of building eco bricks.
