1. ABSTRACT

FACES stand for “Father Agnel Cultural Events and Sports” Faces 2018 is the intra-college festival of FCRIT. This year was conducted from August 29-31 2019. This year a new theme “WEB PLATFORM” was introduced and the logo for the same was designed accordingly and posters, banners with the logo were displayed all over the campus to advertise the festival. All 6 departments of engineering in our college viz. Computer, Mechanical, IT, EXTC, Electrical and Humanities participated actively in the festival to in FACES 2018.

2. INTRODUCTION & THEME

FACES is our first festival for every academic year. It has hence always held a special place in our hearts since our very first year in the college and we, the Student Council wish to make FACES 2019 just as amazing. It is an intra college festival and every Department participates with great fervour and enthusiasm. The spirit of bagging points for their respective departments keeps the adrenaline flowing in each and every one during this three-day gala. This year the dates chosen were 29th, 30th and 31st of August which were Thursday, Friday and Saturday respectively.

The theme for FACES 2019 was a dedication to the web platforms that sustain our binge-watching culture. The numerous web series that keep us engaged, entertained and intrigued constitute a major part of the type of media we consume these days. FACES was presented as a streaming platform, with all of the events presented with our favourite web series as the packaging. We endeavoured to give FACES an illusion of the same, that you can surf through to find several of our fresh and classic content. A theme that surely kept up the enthusiasm throughout.

8. PROBLEMS FACED

A. TRIATHLON:

Getting permission for the track outside of institute campus. The track had to be revised multiple times. On the day of the event, there were issues with clearing the track of public vehicles.

B. EVENTS CANCELLATION:

Due to rains on the second and third day few sports events had to be scrapped (basketball & shot put) and rescheduled.

C. WEBSITE:

The online registration process couldn't be continued due to multiple bugs and server-side issues.

D. AVAILABILITY OF VENUE ON TIME:

Football turn was not available on time as practice of some other team was extended than the allotted time.

Bus parking was also not vacated on time which resulted in delay.

During Table Tennis only 3 tables were allowed to be used out of 10 tables at the venue.

9. CHANGES TO BE MADE

1. Provide lawn for sports events.
2. 1st year students had practical during FACES which made it difficult for them to participate and satisfy the criteria and couldn't enjoy the fest and hence, this should be avoided.
3. Postpone FACES, rainy season creates a problem in organizing sports event like basketball, cricket etc.

11. CONCLUSION

Faces 2019 was a smooth sailing with commendable participation from every department. The involvement of each and every student was very encouraging for the council. With great support from our Principal Dr. S.M.Khot , teacher-in-charge Audrey Correa and the Management and Teaching staff, the council was able to overcome many obstacles. The council is extremely grateful for the experience and the things learnt. Scope for further improvement was also realised.
