

**2.2.3 Differently Abled Students on
Rolls**

Agnel Charities'

Fr. C. Rodrigues Institute of Technology, Vashi, Navi Mumbai.

Engineering admissions in Maharashtra state is entirely controlled by State government through Admission Regulating Authority. Based on type of institute whether it is general or minority category, the quotas for admission are fixed. Hence Institute is not authorized to admit any student other than predefined quota. In each program only one seat is allocated for ***physically handicapped*** students. Many time it is noticed that said seat is vacant in first few round of admissions and finally filled through open quota.
