To,

The Chief Workshop Manager
Central Railway Parel Workshop,
Parel, Mumbai - 400012

Sub.:- Permission to visit Central Railway Parel Workshop

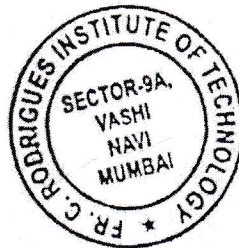

Respected Sir,

We would like permission to visit your unit as part of the curriculum of Semester – IV (Mechanical Engineering) in Mumbai University. In this regard, we feel that if the students get an opportunity to visit your Workshop, they will be able to see different types of Engineering Processes related to Mechanical Engineering and this would give them a broad insight into the subjects they are learning in this semester.

It would be our privilege, if you permit our group of 77 students and 3 staff members of the fourth semester to visit your plant on Saturday, 7th March, 2015.

Thanking You,

Rollin Fernandes
Dr. Rollin Fernandes

Respected Sir,

Fr. Conceicao Rodrigues Institute of Technology was established in 1994 at Vashi, Navi Mumbai. The main aim of the organization is not only to provide quality technical education and opportunity for all round development to its students but also to inculcate in them proper values, so that they emerge as wholesome individuals. It is reputed for its academic excellence, which is reflected in its outstanding results. Ever since the first batch graduated in 1998, the students have been consistent in their performance, obtaining ranks at the University level. It has been accorded grade 'A' status by the Government of Maharashtra and is recognized by AICTE, New Delhi.

The Department of Electronics and Telecommunication Engineering is one of the most reputed in Mumbai University, well known for both its academic excellence and innovative approach. It has been successfully organizing seminars/workshops/Industrial visits for the benefit of students. This academic year we have planned to visit ALL INDIA RADIO, High Power Transmitters, Malad (W), Mumbai on Tuesday 21st October 2014 for our Third Year Engineering students (80) accompanied by three faculty at your suitable timings and batches and convenience. The list of students and faculty members will be mailed to you and will be provided by hard copy at the time visit.

Expecting a favorable response.

Sub: Appreciation Letter for Industrial Visit

We are very much thank-full to the management of Hind Rectifier Ltd. for allowing our second year Electronics engineering students for Industrial Visit conducted on March 13, 2014 to your esteemed organization. We sincerely appreciate the time you spent reviewing our student's career goals and recommending strategies for achieving them.

Through this industrial visit our students learned the wide range of Hi-Rect products for electrical and electronic equipment manufacturers, power utilities, consumer product manufacturers, state electricity boards, system house/integrators, testing laboratories and locomotives.

The explanation and extra efforts taken by coordinators were most impressive. Some safety advice at work is very inspiring and gave our students new perspective on available opportunities in the field of manufacturing, service industry.

We greatly appreciate the hospitality and assistance that you have provided to our staff and the students.

We fell grateful to be associated with you. Once again, thank you so much for all your cooperation for the successful Industrial Visit.

Sub: Arranging of Industrial visit for third and final year Electrical students.

Dear Sir,

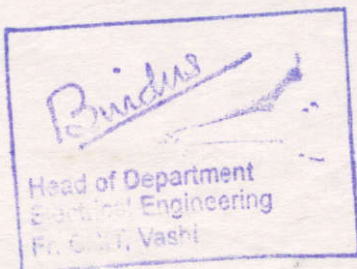

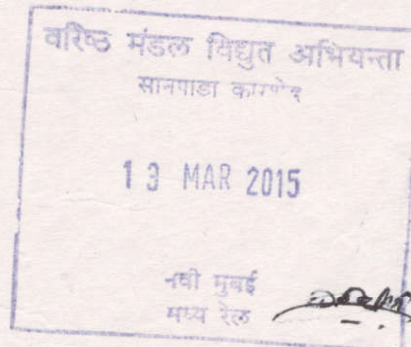

We are thankful to you for accepting our request of industrial visit for our third year (Sem-VI) on 18th and 20th of March, 2015 and Final year (Sem. VIII) Electrical students on 17th of March, 2015.

As per your suggestion we have divided our sem- VI students into four groups, each group consisting of 20 students. Since they have their unit test exam on 18th March till 2.30 pm, only first group of 20 students will be able to come on that day (3.00- 5.00 pm). On 20th of March remaining students in three groups at 9.00- 11.00 am, 11.00- 2.00 pm and 2.00 – 4.00 pm can come. If the timings and schedule we have made is as per your convenience then kindly confirm the same.

Thanking you.

Yours truly,

Dr. Sincy George,
(Head & HOD)
Electrical Engineering Department

Subject: confirmation of one day on 10th or 11th March for industrial visit

dear madam,

This is with reference to our telephone conversation. We would like to arrange industrial visit for our final year (sem- VIII) students to your Switchgear company at Pune . The visit to be arranged on Tuesday or Wednesday since it is their Project day. There are 73 students in the class. Waiting for your confirmation of either of the days 10th or 11th March as per our discussion.

Kindly reply as early as possible since we have to arrange for bus etc.

Thanking you.
Regards

Sub. : One day Industrial visit on 13th September 2014.

Dear sir,

We would like to thank you for permitting our second year (Sem V) Electrical students to visit your place. The visit was helpful for practical understanding of various aspects of Transformer manufacturing and repairs.

Thanking you.
