Dear Prof.Santosh,

We are happy to allow your students and faculty for the proposed industrial Visit.

Our capacity is 40 per batch. Considering our constraints of space & capacity, we wish to accommodate them in 2 batches:

Batch I - 10 am to 12noon (20 +20)

Batch II- 2pm to 4pm (20+20)

This is for both 8th as well as on 13th.

Hope this helps...

Best Regards,

Guruprasad Rao  
Director

Respected Sir,

Fr. Conceicao Rodrigues Institute of Technology was established in 1994 at Vashi, Navi Mumbai. The main aim of the organization is not only to provide quality technical education and opportunity for all round development to its students but also to inculcate in them proper values, so that they emerge as wholesome individuals. It is reputed for its academic excellence, which is reflected in its outstanding results. Ever since the first batch graduated in 1998, the students have been consistent in their performance, obtaining ranks at the University level. It has been accorded grade 'A' status by the Government of Maharashtra and is recognized by AICTE, New Delhi. The Department of Electronics and Telecommunication Engineering is one of the most reputed in Mumbai University, well known for both its academic excellence and innovative approach. It has been successfully organizing seminars/workshops/Industrial visits for the benefit of students. We will be thankful to you for sanctioning our request to visit "M.T.N.L, Powai" on any Friday or Thursday in the month of August or September 2015 (or any convenient day other than 18 August till 22 August and 19 September to 23 September) for our engineering students (78) accompanied by three faculty at your suitable timings and batches.

Sub: Student's Industrial Visit to Tata Motors, Chinchwad, Plant

Respected Sir,

Fr. Conceicao Rodrigues Institute of Technology was established in 1994 at Vashi, Navi Mumbai. The main aim of the organization is not only to provide quality technical education and opportunity for all round development to its students but also to inculcate in them proper values, so that they emerge as wholesome individuals. It is reputed for its academic excellence, which is reflected in its outstanding results. Ever since the first batch graduated in 1998, the students have been consistent in their performance, obtaining ranks at the University level. It has been accorded grade 'A' status by the Government of Maharashtra and is recognized by AICTE, New Delhi.

The Department of Electronics and Telecommunication Engineering is one of the most reputed in Mumbai University, well known for both its academic excellence and innovative approach. It has been successfully organizing seminars/workshops/Industrial visits for the benefit of students. Sir we are thankful to you for allowing our students to visit Tata Motors, Chinchwad Plant on Friday 5<sup>th</sup>, February 2016 for thirty students accompanied by two faculty at 9am to 2 pm in batches and convenience.

The list of students and faculty members is mailed to you as a confirmation and for security reference.
